Doctoral Studies

CALL FOR APPLICATIONS (2024-2025)

The call for applications for the PhD study program in Environmental Engineering (starting academic year 2024-2025) is now open. Applicants are requested to submit the following information:

1. Application through the [online application system](https://e-graduate.tuc.gr) (<https://e-graduate.tuc.gr>).
2. Extended Curriculum Vitae.
3. Copies of acquired degrees/diplomas.
4. Certificate of accreditation by Hellenic N.A.R.I.C. / Δ.Ο.Α.Τ.Α.Π.), in case of obtaining a degree from a foreign institution). For further information, check the link: <http://www.doatap.gr/en/>.
5. Official transcripts.
6. Copies of English Language Certificates (and of any other foreign language, where applicable).
7. The names of two members of the academic community who could evaluate the quality of the candidate with letters of recommendation. Letters of recommendation are sent directly, by the authors, via the online application system, where a template is also available.
8. The applicant should also specify:
 - the research field,
 - the proposed supervisor of the doctoral thesis,
 - the subject and the wider research area of the doctoral thesis,
 - the proposed language of writing the doctoral thesis (Greek or English).
9. Personal statement, where the reasons for choosing the doctoral program, previous experience and research interests will be presented.
10. List of awards, fellowships and publications.
11. Copies of scientific publications, if any.

The applications can be submitted via the [online application system](https://e-graduate.tuc.gr) (<https://e-graduate.tuc.gr>). In the attached documents are submitted the: 2,3,4,5,6,11. When using the online system, a digital photo of the applicant is also required.

For more information, visit: www.chenveng.tuc.gr or call +3028210-37780.

The Dean of the School of Environmental Engineering

Professor P. Gikas
